

Trumbull's Men's Sunday Softball League

2026 General Rules

The purpose of the Trumbull Men's leagues is to provide wholesome recreational activities for Trumbull residents interested in participating in organized softball programs. This league conforms to USA Softball standards and general rules.

USA Softball Rules:

Games will be governed by USA Softball rules, except where local rules and regulations drawn up by the Department of Parks and Recreation apply. USA SOFTBALL Rulebook Rule 12 "The use of all or part of such rules is strictly a local matter and such rules may be altered as league officials deem appropriate or necessary to conduct Non-Championship play."

League rules and regulations will be enforced in their entirety. These rules and regulations are for your safety, and in order that there be no misunderstanding among managers, players and game officials. All games will be officiated by certified USA SOFTBALL umpire.

The Department of Parks and Recreation has final authority as to the conduct of the league, the use of the facilities and any other league issues.

Organization and League Play:

1. The Trumbull Men's Sunday softball program is composed of one league, with each team playing once a week, unless otherwise scheduled.
2. Team rosters may carry up to twenty (20) players, ages 18 years and up. All rosters and fees must be turned into the Recreation Department no later **April 18, 2026. NO EXCEPTIONS.**

1. All teams must file a roster of not less than 12 players and not more than 20. Playing managers and coaches must be counted on the playing list as players. Photo copies of a players' driver's license must be attached to the team roster. Teams may challenge validity of any roster with proof or verification in writing to the League Director or Recreation Department. A player must participate in regular season games to be eligible to participate in league play-offs.
2. No additions may be made to a roster after June 1, 2026. Only managers and coaches listed on the official team roster are allowed to make additions or deletions and these have to be made at least 24 hours before the game in which the players hall participate. Roster changes will not be taken verbally at the ball field or anywhere else EXCEPT BY TELEPHONE AT THE RECREATION DEPARTMENT.

3. Players will not be allowed to transfer from one team to another without written permission of the manager of the team for whom they played in a regular season game. They are considered on the roster of the first team they play for du ring the regular season.
4. Rule Amendment: In the event of rain or any cause which interrupts a game, the game must be resumed at the exact point where it was stopped, using the same line-up or using legal substitutes. If the game is official (4- 1/2-5 innings, depending if the home team is winning) and interrupted, the game is official and complete and will not be resumed, excluding playoff games.
5. Blood Rule. Refers to player, coach or umpire who is bleeding or who has blood on his uniform and treatment is required. If at any time an umpire secs blood on the uniform or the body of a player, a coach, or an umpire, the game should he stopped and someone from the dugout should treat the wound by cleaning and covering the area. If the uniform form has blood on it, have the player exchange that item regardless of jersey, pant, or undershirt color. There will be no violation for a wrong color. The umpire does not have to determine whether a uniform is saturated or not with blood - just have the player change the clothing. The amount of time it takes to treat the wound is entirely up to the umpire. If the umpire feels it will take too long, he should have the player leave the game and re-entry and substitution rules will apply. A team can be shorthanded (slow-pitch) and the player who was bleeding can re -enter. The league is looking forward towards the safety and protection of all.

6. It is mandatory for each team to keep an official scorebook. Scorers should compare scorebooks after each half-inning and, in case of unresolved discrepancies, the home team scorebook is considered official. Absolutely no protests will be considered on any scorebook or player substitution matter. Any discrepancy must be settled on the ball field. If the home team does not keep a scorebook, the umpires can assign the visitor's book as official. Scorebook is key for monitoring re-entry of player. Rev. 4/04.
7. Age Requirements: All players must be 18 years old or older by the first game.
8. In the case of rain postponement where neither team has kept an official book, the Recreation Department may declare the game official at that point, regardless of the inning.
9. MANAGERS OF HOME TEAM ARE RESPONSIBLE FOR REPORTING SCORES TO THE RECREATION DEPARTMENT NO LATER THAN 24 HOURS AFTER A GAME. This will assure proper record keeping. Failure to comply can result in a forfeit of the game.
10. All games shall be played as scheduled or re-scheduled by the Trumbull Recreation Department. Due to a shortage of fields, games may be scheduled on as little as 24 hour notice and on weekends.
11. Any game with a score differential of 12 runs or more after the fifth inning will be terminated by the umpires after four and one-half innings, if the home team is winning. (Rev. 4/03). 12. In case of inclement weather, a decision regarding cancellations of games will not be made until after 8:00am. In some instances, this will be the only notification a coach will receive regarding rescheduled games. Any written notification serves only as a reminder but in most cases, will not be mailed out.
